"No one can read the chapters [of the book] without perceiving the hand of God in the successive developments of the work, and in the fruit vouchsafed to the labours of the Missionaries. The field has been in many ways a hard one. There has been as yet no mass movements towards Christianity, as formerly in Timnevel and latterly in Uganda. But the grace of God has been conspicuously manifested, and the diligent seed-sowing has already been rewarded by at least the earnest of a coming abundant harvest."—*Extract from Prefatory Note by E. THE ANCESTRY OF RANDALL THOMAS DAVIDSON, D.D.

(Archbishop of Canterbury).

A Chapter in Scottish Biography.

By THE REV. ADAM PHILIP, M.A., LONGFORGAN.

EXTRACT FROM PREFACE.

The accession to the See of Canterbury of a Scotsman, the second within a generation, is an event of some interest to his countrymen. Amongst his English friends and admirers, there must be those who would like to know the streams of life and thought that have helped to form and enrich the Primate.

This sketch is intended to meet such a wish. If it tells of men who have lived and acted in less prominent spheres of service, it also speaks of men who had an intelligent and generous outlook on life, of men who fought bravely for the truth of God, and stood up fearlessly for the rights of the Christian people.

"An interesting account of the family of the Primate."—*Standard*.

"Many historians in the days to come will have recourse to Mr. Philip's beautiful and absolutely reliable volume."—*Expository Times*.

THE PEOPLE'S PSALTER:

A plain Book for those who wish to use the Psalms in Church with intelligence and devotion.

By the Rev. G. W. S. WALPOLE, D.D.

*Examining Chaplain to the Archbishop of York,
Rector of Lambeth.*

This book might well be described as the Church-goers' Psalter, for its object is to give ready help in the Church rather than in the study, to the ordinary worshipper, who oftentimes finds it difficult to give a meaning to the Psalms he is invited to sing, rather than to the student.

It has three features:—

1. A very brief introduction to each Psalm, setting forth its probable origin, its application in the Christian Church, and the use to which it has been or may be put.
2. Clearly-set-out divisions with interpretative headings, so that anyone may be able to see the progress of the thought of the Psalm.
3. Very short explanatory footnotes, dealing with any serious difficulties of the text.

There is, in addition, an introduction showing how the Psalms may be used. In this the author divides them into four great groups: (1) Messianic, (2) Social, (3) Missionary, (4) Devotional, and his endeavour is to show how the Psalms, whether as Intercessions, Thanksgivings, or Meditations, meet the needs and difficulties of the present day, and provide a ready means for lifting them out of their earthly surroundings into the spiritual atmosphere of God. The principle adopted in their interpretation is to ground it on the original historical foundation, where it may be known, and it is hoped that in this way any serious criticism of it as mystical or extravagant may be met. The outline, for such only it is, will need thought and attention, but a few minutes in the Home, or, still better, in the Church, before the service begins will be sufficient to get a clear grasp of its meaning. It has been bound and printed in such form as to be readily carried, and contains the Canticles, so that to those who know the Prayers no other book but one containing the Hymns would be necessary.

Recommendations and Extracts from Reviews.

"The book seems to be admirably adapted for its purpose, and I trust it will have a very wide usefulness."—BISHOP OF DURHAM.

"This is the kind of book which I have long wished to have for use in Church, and after using it I find it a real help."—DR. LOCK.

"I am very glad to have it and shall try to use it. It appears to answer what people much want—a real guide to the meaning of Psalms for practical purposes."—ARCHDEACON MACKARNES.

"A delightful little book, not a commentary or a fresh translation, but simply an intelligent and natural explanation of the Prayer-Book Psalter."—*Scottish Guardian*.

"A most timely and practical volume."—*Rock*.

"Here an attempt has been made to give us the Psalter in its up-to-date setting. . . . The Psalms are suitably divided in accordance with the subjects treated."—*Life of Faith*.

THE OLD GOSPEL EVER NEW:

*The Story of Naaman;
or, Sin and its Cure.*

"The Old Gospel is Ever New." The Gospel, in its essential simplicity, is as truly the utterance of what may be termed the "historic Parable" of Naaman's Story in the Old Testament as it is the utterance of the Divine Teacher's inimitable parable of "The Prodigal Son" in the New Testament. "The Way Home" of the sinner to God is the lesson of both parables. Hence the writer's aim has simply been to produce a companion volume to his former book, "The Way Home," which he trusts, by God's blessing, may help to fasten the minds of anxious and inquiring readers on the same essential verities of Gospel Truth, which are certainly less prominently dwelt upon than they used to be.—*The Preface.*

VITAL RELIGION;

OR,
The Personal Knowledge of Christ.

BY
Rev. G. H. S. WALPOLE, D.D.,
Principal of Bede College, Durham.

THE aim of the Author in this work is to show that true religion is essentially a matter of personal experience, that it is the power created by an intelligent realization of an actual fellowship with a Living Person as clearly traceable in the daily events of life as in the various ministries of grace, that it pervades what is called the secular side of life as closely as the religious. The character of this Fellowship as indicated by the word Friendship is first examined and explained. The way by which it is attained is then pointed out, and there follows a consideration of its actual experience in the personal life of Thought, Work, and Suffering, as well as in the wider life of the Church.

The question is purposely treated in a broad, practical and popular way, in the hope that it may attract the attention of those who, whilst they seldom read books of a devotional character, are interested in any work that goes to prove that man's life, insignificant as it appears to be, is subjected to Divine Interference and Guidance.

Extracts from Reviews.

"The keynote of this interesting and beautiful book is the thought that religion is essentially the life of friendship and intimacy with God revealed in Jesus Christ. . . . We have no hesitation in saying that Dr. Walpole has given us a work of real spiritual value, and we heartily commend it to all thoughtful readers, especially to those who lament the 'decay of experimental religion.' The present volume is a solid contribution to the solution of the problem how 'to find a basis for faith in actual experience.'"—*Guardian*.

"Dr. Walpole writes with a true moral passion. He pleads for a deeper, more intimate, more vital knowledge of God. Nothing could be more appropriate in a series calling itself 'The Church's Outlook for the Twentieth Century' than a volume like this, that sends us back to the fountain and source of all spiritual life."—*New York Churchman*.

"The perusal of that high-toned book has been to us a source of refined pleasure."—*Weekly Leader*.

"We must congratulate Dr. Walpole on having produced a very valuable work. It is of supreme importance that the personal element in religion should not be neglected, and that due attention be paid to the development of inner spiritual life. Dr. Walpole calls attention to real needs, and he gives excellent advice as to the means of satisfying them."—*Pilot*.

"No one who wishes to follow his argument will regret the half-crown it costs, so exceedingly helpful and uncommon is his treatment of the profoundest of all subjects—Living Union with our Living Lord."—*Church Bells*.

"This is a fresh and interesting presentation of a perennially important subject. . . . The book is characterized by a spirit of true devotion to our Lord, and is marked throughout by earnestness of thought and appeal."—*Life of Faith*.

"Contains many new and helpful thoughts."—*Mission Field*.

"It has the tone of sincere and earnest piety and the ring of honest conviction. In other words, we like the book and we like the personality which seems to lie in peace and confidence behind it."—*Saint Andrew*.

"There is a deal of force in the author's words about marriage, the shams of so-called worship, prayer, attitude, and daily duty."—*Family Churchman*.

"Many and weighty thoughts are expressed on the subject, which deserve careful consideration."—*Liverpool Mercury*.

THE CHEAPEST AND MOST EFFICIENT COMMENTARY ON THE BIBLE EVER OFFERED TO THE PUBLIC.

The Publisher of the "Biblical Museum" has much pleasure in announcing that this most valuable Commentary has now been issued at the extraordinary low price of

ONE SHILLING PER VOLUME NET.

Hitherto it has been published at 3s. 6d. and 5s. per volume, and in these forms has had a world-wide sale among Clergymen, Lay Readers, Teachers, and Bible Students generally. It is believed that the present great reduction in price will place the vast stores of information contained in its pages within the reach of thousands who will be glad to avail themselves of the liberal arrangements now made.

THE BIBLICAL MUSEUM:

CONSISTING OF CRITICAL, HOMILETIC, AND ILLUSTRATIVE NOTES ON AN ORIGINAL PLAN

The "Biblical Museum" is generally admitted to be the most efficient and useful Commentary on the Bible. **It is now certainly the cheapest.**

It is a *complete* Commentary on the Bible, as it supplies all the different kinds of help needed in the study of Holy Scripture. It places in the hands of the reader the results of modern scholarship in exposition of the Bible in a readable and popular shape, the most appropriate illustrative matter in a condensed form, and the most useful instructions for arranging each text for teaching. The volumes consist of

The remarkable success which has attended the issue of the **CHEAP EDITION** of the "Biblical Museum" has induced the Publisher to follow it by the publication, in the same form, of

The CLASS and the DESK.

A most valuable work by the same author, which has had an enormous sale among Teachers and Ministers at a much higher price.

The **Class and the Desk** is a manual of help for teachers and ministers in preparing lessons from the Scriptures, giving, in a condensed and accessible form, most efficient assistance in the exposition of the Word of God in the form of explanation, illustration, metaphor, suggestion, moral lessons, and side-lights of various kinds. The work goes through the whole Bible in the order of the sacred books, taking the chief passages of Scripture and arranging them in the form of Lessons and Addresses.

The amount of useful material packed into one of these Lessons or Addresses is very remarkable, and can only be realized by using the work in preparation for preaching or teaching.

The work is published in four handy volumes, and in this complete form yields a perfect storehouse of helpful material for the teacher and minister.

The four volumes of **The Class and the Desk** were formerly published at 3s. each. They are now to be obtained at
