Index to Modern Sermons.

NOTE.—The Compiler will be grateful to friends who send corrections or additions. While the Index is proceeding, references will be given in another column on texts not yet reached, if application is made for them. If requested, other sources of information bearing upon texts or biblical subjects will also be pointed out. Any suggestion, whereby this department can be made of more practical value, will be heartily welcomed.

CORRECTION.—Gen. i. 1, *Christian World Pulpit*, xii. 33, should be xii. 333.

Besides this correction, the Compiler has received some valuable additions and suggestions. Thanks are especially due to three well-known ministers, one in the Church of England, one in the Congregational Church, and one in the United Presbyterian Church of Scotland.
