any adequate definition of development must include five dimensions:

- an economic component, dealing with the creation of wealth, and improved conditions of material life;
- a social ingredient, measured as well-being in health, education, housing, and employment;
- a political dimension, pointing to such values as human rights, political freedom, enfranchisement, and some form of democracy;
- a cultural dimension, in recognition of the fact that cultures confer identity and self-worth to people; and
- a fifth dimension, called the full-life paradigm, which encompasses symbols and beliefs as to the ultimate meaning of life, and of history.

Integral human development is all of these things.<sup>5</sup>

## 2. Bilong wanem sios i gat wok long divedopmen?

### 2.1. Tok bilong Baibel

#### 2.1.1. Olpela Testamen

Wanem tingting long sindaun bilong ol manmeri OT i gat, yumi painim pinis long Stat 2 long stori bilong ol dispela lain i kamapim planti tok insait long OT, yumi kolin Jahwist. Long dispela hap yumi harim tok olsem:

<sup>5</sup> Citation from D. Goulet, “Ethics in Development”, in *Catalyst* 17-4 (1987), pp. 316f.

Long OT olgeta yumi no painim pasin bilong brukim manmeri. Laip bilong ol i wanpela tasol na bilip i sut long dispela laip olgeta.<sup>6</sup>

Nem developmen yumi no painim long OT. Tasol long stori bilong wanpela narapela lain i kamapim OT, yumi kolin pris, long Stat 1 yumi harim olsem God i wokim dispela graun na em i wokim gutpela tru. Bihain em i givim dispela ol samting long han bilong ol manmeri na ol i mas lukautim gut.

Long histori bilong ol Juda na ol Kristen wanpela rong i kamap long dispela. Ol i ritim Stat 1:28 na ol i ting, ol i ken bosim olgeta samting long laik bilong ol yet. Tasol nau yumi lukim, planti hevi i kamap pinis, long wanem, yumi no lukautim dispela graun gut, yumi bagarapim tasol.

Wanem rot ol manmeri i mas bihainim long taim ol i stretim sindaun bilong ol long dispela graun?

Long OT olgeta yumi painim tok long wok bilong kamapim gutpela sindaun tru long laip olgeta bilong ol manmeri. Nogut wanpela i daunim narapela long laik bilong em yet o givim hevi nating long em. I gat wok long givim bel olgeta long God na long ol narapela manmeri (Lo 6:4-5; Wkp 19:18; Mai 6:8).

Long Ais 9 na 11, yumi harim tingting bilong God long gutpela sindaun bilong ol manmeri: husat i stap long tudak, em i lukim wanpela bikpela lait (9:2), ol manmeri i gat bikpela amamas (9:3), ol i kamap fri long ol narapela lain i bin daunim ol (Ibid.), olgeta pait i pinis (9:5). Olsem na yumi lukim OT i wari tru long laip na gutpela sindaun bilong ol manmeri. Long taim God i lukim hevi i stap long laip na bilip bilong sampela mameri, wantu em i salim helpim o stiatok i go long ol.

Dispela kain pasin yumi tingim long taim, yumi tok long wok developmen long OT. Tru, dispela nem divvelopmen i no i stap, tasol long sait bilong pasin yumi lukim God i laikim tru, ol manmeri i ken sindaun gut na amamas long laip olgeta bilong ol. Olgeta samting i daunim na bagarapim laip bilong ol em i laik pinisim.

## 2.1.2 Nupela Testamen

Long NT tu yumi no painim wanpela tok i sut stret long dispela nem divvelopmen. Tasol sapos yumi tingim ol tok na wok bilong Jisas, yimi save namba wan tok bilong en i sut long kingdom bilong God. Olgeta wok, Jisas i mekim i soim pasin bilong dispela kingdom.

Long taim em i raun mekim wok, em i no save toktok long maus tasol, em i wok na helpim ol manmeri long laip bilong ol olgeta. Em i bin skelim, wanem hevi bilong wanwan man o meri i stap na wanem samting i daunim em stret. Na bihain em i helpim ol long rausim dispela hevi.

Long taim em i lukim ol i sot long kaikai, em i helpim ol long bret na pis (Mk 6:30-44). Long taim ol disaipel i pret na ol i tingim, draipela win bai i kapsaitim liklik bot bilong ol, Jisas i kam na daunim win na pret bilong ol wantaim (Mk 4:35-41). Long taim ol spirit nogut i bagarapim wanpela man, em i rausim ol na dispela man i kamap fri long ol dispela spirit (Mk 5:1-20). Sampela taim Jisas i abrusim lo bilong sabat, long wanem em i lukim hevi bilong ol sikmameri (Mk 3:1-6). long dispela graun. Olsem na em i tokim em long lusim ol dispela na bahanim em. Tasol sori tumas, ol samting bilong graun i winim dispela man (Mk 10:17-27).<sup>9</sup>

Olsem na laip na wok bilong Jisas i soim, em i wari tru long laip olgeta bilong ol manmeri. Em i no save brukim bodi na spirit long tupela hap. Na tu em i tingting planti long sindaun wantaim bilong ol manmeri. Olsem na em i putim ples klia tupela lo i winim na karamapim ol narapela lo: Yumi laikim God na ol arapela manmeri olsem yumi laikim yumi yet. Olsem na yumi mas wari tru long gutpela sindaun bilong ol wankain olsem Jisas i bin mekim. Dispela em i namba wan mak bilong kingdom bilong God.<sup>10</sup>

Aposel Pol i strongim dispela tok na lo bilong laikim tru ol narapela i kamap namba wan lo long ol tok bilong en: Rom 13:8-10; 12:9-21; Gal 2:20; 2 Korin 5:14, 1 Korin 13.<sup>11</sup>

Gutnius bilong Jon tasol i stap ausait long ol dispela tingting. Em i sut long laikim tru ol bratasusa insait long kongrigesen tasol (Jon 13:34). Olsem na i luk olsem ol lain i kamapim dispela gutnius i no wari tumas long ol ausait manmeri na tu ol i no tingting tumas long stremt sindaun bilong ol.<sup>12</sup>

Long Ef 1:9-10 yumi painim dispela tok: "God i laik stiaim olgeta samting i go i go, na long dispela taim em i makim pinis, em bai i bungim olgeta samting long Krais, ol samting bilong heven na bilong graun tu. Na Kraist i ken i stap het bilong olgeta samting." Ennio Mantovani i kisim dispela ves na soim klia: God i givim wok long yumi long wari tru long ol samting bilong dispela graun, long wanem God i laik bungim *olgeta* samting aninit long het bilong Jisas.<sup>13</sup>

Olsem na tok bilong NT i skruim tingting bilong OT. Yumi Kristen i no ken larim wok bilong helpim sindaun bilong ol manmeri i go long han bilong gavman tasol, yumi yet i gat wok insait long en tu, sapos yumi laik bihainim tok bilong God. Tasol yumi mas tingim gut. Tok bilong kindom bilong God i no sut long sait bilong bodi o bilong spirit tasol, em i sut long laip bilong ol manmeri olgeta. Olsem na long taim yumi mekim wanpela wok long kirapim gutpela sindaun bilong ol manmeri, yumi mas tingim olgeta sait bilong laip bilong ol.

Ol Luteran sios insait long PNG i save usim wanpela buk long klaim ol memba bilong ol long bilip bilong ol. Dispela buk ol i kolim “Tok Bilip bilong Yumi/A Statement of Faith”. Sapos yumi lukluk gut long dispela buk, bai yumi painim aut, dispela kain tingting, mipela i tok antap long en, i no kamap strong tumas. Aninit long sapta 13 (The Christian and Society),<sup>16</sup> i gat wanpela sotpela tok tasol, long ol Kristen i gat wok, long givim gutpela stia long ol gavman na ol manmeri na i go insait long dispela kain wok.
