Dear Dr. Alexander,

## The Pentecostal Educator

The World Alliance for Pentecostal Theological Education (WAPTE) plays an important role in global Pentecostalism. The Pentecostal World Fellowship is enriched by WAPTE serving as its theological commission.

I am delighted that WAPTE is contributing to the cause of Pentecostal Theological education through the e-journal, *The Pentecostal Educator*. I heartily endorse this publication and trust that it will be a good source of information, inspiration and discussion for our educators around the globe.

Blessings,

PRINCE GUNERATNAM
