# SCRIPTURE

THE QUARTERLY OF THE CATHOLIC BIBLICAL ASSOCIATION

VOL. IV. No. 12

OCTOBER 1951

## EDITORIAL

*Lectures.* The course of lectures on the New Testament, details of which appeared in previous numbers of *SCRIPTURE*, starts on Friday, 5th October at the Newman Centre, 31 Portman Square, London, W.1. As stated already, the course caters for the educated Catholic, but not the specialist. It is hoped that there will be a good attendance. Application should be made to the Registrar, 31 Portman Square, W.1.

*Annual General Meeting.* This will take place as before at the Newman Centre, 31 Portman Square, but instead of December it will be held in January. The date is 3rd January, and the time 6 o'clock. The long notice of the meeting should make it possible for more members to attend than there were last year. This is specially desirable as the draft rules of the Association published in an earlier number of *SCRIPTURE*, will be voted on at the meeting. There will also be a paper on a Biblical Subject, the title of which will be announced later.

*New German Periodical.* The German Catholic Bible Society, *Katholisches Bibelwerk Stuttgart*, is collaborating with Tübingen University in the production of a periodical, to appear several times a year, containing in summary form details of all the Biblical periodicals in various parts of the world. The idea is to enable students to see at a glance what there is of importance, though the published summaries will in no sense be a substitute for the actual periodicals referred to. The first number is expected to appear before the end of 1951. The Kath. Bibelwerk is at present at Tübingen, no doubt because Stuttgart was so heavily bombed during the war. Though the outskirts of the city appear unmarked the city centre is a scene of awful destruction. The fine old Town Hall is now a jagged shell and practically the only hotels to be seen, on a rapid visit, are underground.
